

# WHAT IS LAUNCH?

Launch exists to train teenagers in the basics of biblical, servant leadership via a three year program. The camp's main focus is to equip and encourage the next generation of youth leaders to take their part in passing on the gospel message to others.

When you come to Launch you can expect challenging talks from the Bible that will equip you for life and ministry; an opportunity to learn and build relationships with other like minded teens; practical input to equip with the skills for youth and children's ministry; and encouragement and guidance from experienced youth leaders.

If you are in the last three years of high school (Yr 10, 11 or 12), then Launch is you for!

Toggs + towel

## MEET OUR SPEAKER

This year Luke Thomson will be sharing God's Word with us. Luke loves his saviour Jesus, his wife Jen, his Sydney Swans, his acoustic guitar, his card games, and his PS3. He works as the Kids and Youth minister in a church in Sydney's North-West, and is praying that the next generation will love Jesus more than the last.
